If the organization is part of an affiliated health care system, describe the respective roles of the organization and its affiliates in promoting the health of the communities served

Form and Line Reference Explanation Kenmore Mercy Hospital Community Benefit Report is contained in the annual report prepared by the

Part I, Line 6a Catholic Health System

Form and Line Reference	Explanation
raiti, Lille /	Costing is a full step down methodology of cost from non-revenue producing departments to revenue producing departments', with assignment of cost to individual charge items based on volume and charge amount. All patient accounts are cost with the same methodology regardless of patient type (inpatient, outpatient, emergency room, etc.) or insurance coverage (Medicare, Medicaid, private insurance, uninsured, etc.)

Form and Line Reference	Explanation
Activities	Kenmore Mercy Hospital participated in Community Building activities of \$111,227 which included Community support, and environmental improvements. Community support included Executive Community Board participation of \$13,225. Environmental improvements of \$98,002 included associate participation in Go-Green activities to educate associates related to reducing environmental footprint. Coalition building of \$3,490 includes exectutive participation in Chamber of Commerce. Workforce development of \$22,910 includes healthcare secretarial training for displaced workers in cooperation with Ken-Ton educational department.

Form and Line Reference	Explanation
rait III, Lille 2	Kenmore The amount in Part III line 2 is the actual bad debt expenses of \$3,892,461 The amount in Part III line 3 is the estimate of bad debt from uninsured balance which is developed as follows as policy is to write accounts to bad debt 120 days after discharge, the discharge date period of 10/1/2014 to 9/30/2015 was used to determine the population of uninsured accounts. The balance of these accounts was determined and the RCC was applied to develop the estimate in H Part III Line 3

Form and Line Reference	Explanation
rait III, Lille 3	As our determination of eligibility for the Healthcare Assistance Program (HAP) (Charity Care) is based solely on the presentation for care without insurance, which is now for each account, and use of a sophisticated estimator (PARO) of each guarantor's ability to pay an estimate of "the amount that reasonably could be attributable to patients who likely would qualify for financial assistance under the hospital's charity care policy if sufficient information had been available to make a determination of their eligibility" is not relevant. The organization's financial statements do not include a footnote that describes bad debt expense, but the financial statements account for bad debt expenses in the statement of operations as actual expenses written off and an estimate of future write-offs less any recoveries

Form and Line Reference	Explanation
Part III, Line 4	The hospital does not have a footnote that describes bad debt in the financial statements

Form and Line Reference	Explanation
raitiii, Liile o	Kenmore Mercy Hospital does not treat Medicare shortfall as a community benefit, as serving Medicare patients is not a differentiating feature of tax-exempt healthcare organizations. The existing community benefit framework allows community benefit programs that serve the Medicare population to be counted in other community benefit categories.

Form and Line Reference	Explanation
Tarciff, Line 95	The hospital's collection policies contain provisions on the collection practices to be followed for patients who are known to qualify for financial assistance. The hospital has implemented billing and collection practices for patient payment obligations that are fair, consistent, and compliant with state and federal regulations and no extraordinary collection practices are followed.

Form and Line Reference	Explanation
